Welcome! We're pleased that you want to consign at our shop. Here's how it works:

Consignment Agreement Your consignment period is 70 days starting the day the inventory is placed on the floor. We are happy to e-mail you a list of your consigned items. If the consigned items are sold within the 70-day period you will receive the following percentage based on the selling price.

40% of the purchase for items under \$100

50% for items \$100 - \$499

60% for items \$500 - \$999

75% for items over \$1000

Additionally, each sold item is charged a \$.99 handling fee.

If you would like to retrieve unsold items priced over \$25.00, it is your responsibility to call by the 70th day. You may call us ahead of time to have these ready for you. Any items the consignor requests to pick up, but does not pick up within 2 weeks of requested pickup date may be donated. Items priced less than \$25 will automatically be donated if unsold after 70 days. In the event a consignor's items are donated, a tax donation receipt is available upon request. We reserve the right to place items on sale.

As we enter your items into our system, if we find any previously undetected stains, broken zippers, missing buttons, etc. they will be donated.

We will do our best to safeguard your items, however we are not responsible for damage or loss.

We look forward to a long and mutually profitable association with you. After all, we couldn't do it without you, our partner in consigning!

I have read the above terms and agree with them.
